

Reconstruction of hand surgical wounds after pseudo-syndactyly correction or squamous cell carcinoma resection in patients affected from epidermolysis bullosa: a monocentric experience with a collagen-elastin dermal matrix substitute

Giulia Bernante, Alessandro Portoghese, Mario Lando, Barbara Ferrari, Camilla Reggiani, Raimondo Feminò, Chiara Fiorentini, Cristina Magnoni

Supplementary Material

Supplementary Table 1. Patient and intervention details.

Intervention	Patient number	Age at intervention (years)	Sex	Hand	Indication	Histology	Site	Time to healing (days)	Follow-up (months)	Figure
1	1	28	Male	Right	Amputation	SCC	III middle distal	60	24	
2	2	33	Female	Left	Resection of lesion	SCC	Back	30	12	1
3	2	33	Female	Left	Resection of lesion	SCC	Back	40	12	
4	3	32	Male	Left	Resection of lesion	SCC	Ulnar face + palm	35	24	

5	3	32	Male	Left	Resection of lesion	SCC	Ulnar face + palm	40	24	
6	3	32	Male	Left	Resection of lesion	SCC	Ulnar face + palm	40	24	
7	3	32	Male	Left	Resection of lesion	SCC	Radial face + palm	30	24	
8	3	32	Male	Left	Resection of lesion	SCC	Palm	25	24	
9	3	33	Male	Left	Resection of lesion	SCC	Ulnar face + palm	40	24	
10	3	33	Male	Left	Resection of lesion	SCC	Back	20	24	
11	3	33	Male	Left	Resection of lesion	SCC	Radial face + back	50	24	
12	3	34	Male	Left	Amputation	SCC	Radio-carpal	60	24	2
13	3	34	Male	Left	Resection of lesion	SCC	Radio-carpal	45	24	
14	3	35	Male	Left	Amputation	SCC	Humerus	60	24	
15	4	43	Male	Left	Resection of lesion	SCC	Back	45	12	
16	5	28	Male	Right	Resection of lesion	SCC	II finger	45	6	
17	6	37	Female	Right	Resection of lesion	SCC	Palm	45	5	
18	6	37	Female	Right	Resection of lesion	SCC	Back	35	5	
19	7	22	Male	Left	Correction of pseudo-syndactyly	Not performed	I commissure	45	12	

20	8	15	Female	Right	Correction of pseudo-syndactyly	Not performed	I commissure	60	12	
21	9	50	Male	Left	Resection of lesion	SCC	I finger	45	12	
22	9	51	Male	Right	Correction of pseudo-syndactyly	Not performed	II commissure	50	12	
23	10	20	Female	Right	Correction of pseudo-syndactyly	Not performed	I commissure	45	12	
24	11	22	Male	Right	Correction of pseudo-syndactyly	Not performed	I commissure	30	12	3
25	12	13	Male	Right	Correction of pseudo-syndactyly	Not performed	II commissure	35	8	

SCC, squamous cell carcinoma.
